In the spirit of soaking up inspiration wherever you are, we’ve teamed up with ALDO to bring you the best neighborhoods across the country. And better yet, we’ve signed up author and expert Carol Sabas from fashion guide to curate this list of restaurants, museums, boutiques, and everything else worth exploring. Miami earned its magic city nickname when winter takes a turn for the worst (read: chilliest) elsewhere. But you should rest on your laurels - and, well, your lounge chair - from there on out, it will be a wasted opportunity. In addition, you can stare by your crowded scene of the gourmet restaurant; Artistic foundations; modern hotels, high-concept; and high-end vintage treasures that are all unique to southeast hot spots. So with that in mind, we for you five destinations should see that every Miami bound should have on its radar, in addition to the beach. Because it’s a data, right?
